## FOR IMMEDIATE RELEASE

### Ocean City Fire Department purchases another Horton ambulance.

*Elkridge, Maryland - July 26, 2017*

FESCO announced that Ocean City Fire Department has purchased a Horton model #603C ambulance on a 2018 Navistar cab/chassis. Ocean City and FESCO have been working together since 2004 and this purchase brings their Horton total to eleven. This order follows close on the heels of their recent 2017 delivery in June. This truck includes the revolutionary Horton 360 – a 360° view of the apparatus' surroundings, to provide the best video-based exterior safety system available. The module includes the HOPS (Horton Occupant Protection System), making it the safest vehicle on the road – inside and out.

This unit was sold by Chuck Simpson.
