STEPHEN MARTIN JOINS FESCO SALES TEAM  
*Elkridge, Maryland - February 18, 2021*

FESCO Emergency Sales is pleased to announce that Stephen Martin has accepted the position of Law Enforcement & Specialty Apparatus Sales Manager for the Maryland- Delaware- and Southern New Jersey Territory.

Stephen also has been in the vehicle upfitting industry since 2011. He applies his personal integrity and a high level of customer service to every project that comes his way. Stephen's passion is to create solutions that help our customers stay safe and get home to their families. This is fueled by having family members and close friends on the front lines of Law Enforcement, Public Safety, and the Armed Forces.

He has vast experience to develop from the ground up a vehicle solution that will fit any department or company's needs. He has worked with Law Enforcement and Public Safety Agencies, along with Manufacturer Resellers and Private Amber Market Companies to maximize their resources and create dynamic Total Vehicle Solutions.

As a "Maryland Native" Stephen has a unique sense of the needs of the mid-Atlantic region. He travels throughout the DELMARVA area and has the benefit of seeing his customers outside of "working hours". This has allowed Stephen to develop lasting relationships.

Stephen loves the outdoors and when he is not home with his three children, he is hiking the trails of Patapsco State Park. He can be reached by cell phone at 240-653-6137 or email at [smartin@fescosales.com](mailto:smartin@fescosales.com).
