has purchased a REMOUNT of a Horton ambulance.
Elkridge, MD**

FESCO Emergency Sales announced that Sterling Park Volunteer Rescue Squad (Sterling, VA) is remounting their 2010 Horton model #623 ambulance. The new chassis is a 2018 Freightliner M2 with the Liquid Spring Suspension System. The module will receive all new upholstery, updated 4-point safety seatbelts, Power Load upgrade, new Whelen emergency warning lighting and new Firecom head set jacks to match recent deliveries.

The durability of the Horton module is one of the many advantages to owning a Horton. Remounting with Horton ensures proper service, retention of the vehicle warranty, Horton's 1500 check-point inspection and complete customization of the module, per the customer's needs and requests.

This unit was sold by Pete Laake, Jr. and the FESCO team!
