Revision 1

--- SPARTAN TERMINATION ----

To Whom It May Concern:

FESCO Emergency Sales ("FESCO") has provided its resignation of our dealership agreement to Spartan ER, effective June 30, 2021.

Since 2008, FESCO has represented Crimson / Spartan ER through the many changes that Spartan has undergone. Last year's change of Spartan ownership has brought another team of leadership and a new go-to-market strategy. Such decisions are never easy, and FESCO wishes Spartan a successful future. FESCO has many vehicles on order and will deliver these vehicles until all contracts are completed.

It is FESCO's intention also to continue to support our customers through the life of the vehicles we sold.

FESCO will continue to promote the Spartan chassis through our manufacturing partners in EVI & Hackney.

Should any questions arise, please direct all questions to me at plaakejr@fescosales.com or by calling our headquarters at 800-638-0926.

Pete Laake, Jr.

President
