

FESCO

Horton MODEL #623

FESCO EMERGENCY SALES is pleased to
announce that the
City of Norfolk Fire - Rescue
is remounting their 2013 ambulance.

*The 2013 International 4300LP will be remounted
onto a 2022 Ford F-550 4x4 Gas Engine chassis
with the Liquid Spring Suspension System.*

*The exterior will receive all new paint and graphics.
Additionally, exterior rub rails, corner guards and
bumpers will be replaced and the unit will receive a
new 12V Heat - A/C unit, interior flooring and cushions.
The cabinetry and harnesses will be brought up to
KKK-1822 Change 13 standards.*

We appreciate your business,
City of Norfolk Fire - Rescue!

This unit was sold by Chuck Simpson.

2013 Horton #623 / International 4300 LP - shown at delivery.

REMOUNT ON ORDER!
