Vehicles - Dedicated Service Team -  
Multiple Service Locations - Mobile  
Service Fleet - Large Parts  
Inventory - Loaner Car Program -  
Extensive Supply Network - High  
Quality Graphics Capabilities -  
Technology Investment

"FESCO provided a great experience from start to finish. They were able to answer all our questions and kept us educated and informed throughout the entire process of building our new ambulance. This was the best experience, and we appreciate all the care that was taken throughout the build."

-Carol Boehm  
EMS Chief  
2nd District

## FESCO SALES & SUPPORT

FESCO is the benchmark of the fire apparatus & EMS dealership industry. We represent the highest quality products, have the best and brightest people, and provide exemplary customer service. Being the leader in our market, new customers see us for what our repeat customers already value: our responsiveness, reliability, quality, ingenuity, excellence, and integrity.

FESCO has been strongly committed to customer service for 70 years. We work hard to provide products and service equal to the extremely high quality of the vehicles we market. FESCO represents manufacturers that build top of the line vehicles to withstand the constant rigors of emergency vehicle operations, with minimum downtime. We are confident that the emergency vehicles we represent will stay where they belong: in service in your community. We operate two, fully-stocked service facilities in the mid-Atlantic region - Elkridge, MD & Richmond, VA.

## SERVICE CAPABILITIES

- ASE / EVT Certified Mechanics
- Manufacturer Specific Training
- Latest Diagnostic Equipment
- Local Service Shops with Mobile Capability Across Mid-Atlantic
- 30+ Bays / Vehicle Stalls
- Certified MIG & TIG Welder
- Drivers / Loaner Vehicles

## GRAPHICS DEPARTMENT

FESCO offers graphic and lettering capabilities utilizing the latest Roland EcoSolvent and Gerber EdgeFX technology.

From lettering, striping, vehicle wraps and chevrons to decals and shields, we are able to produce and install graphics to make your design ideas a reality and your vehicle a showpiece.

***Our Operations and Service Managers Work To Support Every Customer's Unique Service Requirements***

## PARTS DEPARTMENT

With over \$1,000,000 in parts inventory, most orders are filled the same day. This ensures we minimize the down-time associated with the repair of your apparatus. We can also expedite parts orders from a network of suppliers for any custom or unique items.
