FOR IMMEDIATE RELEASE

FESCO OPENS RENOVATED MACAW SERVICE CENTER

Elkridge, Maryland – March 12, 2026

FESCO Emergency Sales is pleased to announce the opening of our newly renovated Macaw Service Center in Elkridge, Maryland. The facility will provide dedicated heavy apparatus service capacity, expanding our ability to support the maintenance and repair needs of our emergency vehicle customers.

The Macaw location served as FESCO's main sales & service facility dating back to 1993. Its renovation brings the building into a new chapter of service, complementing the operations at our Troy Hill Corporate Headquarters and Richmond Service Center.

During its opening week, the Macaw Service Center was already supporting local departments, including work on two emergency out-of-service ladder trucks for Howard County Fire & Rescue while crews waited. This work demonstrates the importance of having additional service resources available to help departments return their apparatus to operation.

The renovated facility represents FESCO's continued investment in supporting our customers beyond the sale and delivery of their vehicles. By expanding our heavy apparatus service capacity, we can better serve the departments that depend on these vehicles every day.

We are proud to bring new life to this longtime FESCO facility and look forward to serving our customers through the Macaw Service Center.

For information, please contact FESCO Emergency Sales at 800-638-0926.
